Problem Solving Unit

Take a Hike with Henry at http://cyberbee.com/henryhikes/henry.html
Choose to travel by train or to hike. Keep a journal of your activities.

What's the railroad to me?
I never go to see
Where it ends.
It fills a few hollows,
And makes banks for the
swallows,
It sets the sand a-blowing,
And the blackberries a-growing.

Henry David Thoreau in WALDEN

Henry and his friend each wanted to go to Fitchburg. Consider: How/why did each decide to travel the way they did? What were the advantages/disadvantages of each way?
Problem Solving Unit

Group Responsibilities:

Recorder_______________________
Leader_________________________
Supplier_______________________
Speaker________________________
Encourager_____________________

All members must participate equally. If someone in the group has a question, they must relay their concern to the Speaker as only the Speaker may ask questions of “Henry”. The Leader is to see that each member is working on an activity, assign each person necessary homework, and see that all work is completed by Friday. The Supplier collects and returns supplies as necessary and is responsible for turning in the final product. The Encourager is to encourage each member to participate and do his/her best and to act as a peacemaker if members disagree. The Recorder keeps and organizes all responses.
